Dear Inquirer/Candidate,

The Committee on Preparation for Ministry each year awards a limited number of scholarships to seminary students who demonstrate need and are under care of the Presbytery of Greater Atlanta. The application form (which you can be found online at www.atlpcusa.org/cpm.html) must be filled out fully and carefully, signed by your CPM liaison, and returned to the Presbytery Office.

A limited number of funds are available for scholarships (i.e. CPE application fees and registration, seminary tuition, or ordination exam fees). These must be seminary-related requests. Before applying, discuss your needs with your support person or group at your church and your CPM liaison.

Any questions may be addressed to Andy James, Stated Clerk and CPM Administrator. Completed forms should be submitted by email to cajames@atlpcusa.org.

If funds are needed by a certain date, please allow a full month between date of receipt at the Presbytery Office and notice of your scholarship award. All funds will be sent directly to your academic institution or to the organization for which you have requested them.

Partners with you in ministry,

The CPM Scholarship Committee
Presbytery of Greater Atlanta
