

Highlights of the August 15, 2020 Presbytery Meeting

We are really learning to get this zooming down! Over 330 folks gathered for the zoom Presbytery meeting on August 15. Johns Creek Presbyterian Church served as host and provided pre-presbytery music along with music in the meeting itself. We continued our focus on the Matthew 25 initiative, highlighting structural racism during this meeting. We accomplished a great deal in two hours:

- A meditation from Shelli Latham on Luke 18:1-8 entitled “The Trouble With Justice” (*you can find a link to the meditation on our website under Presbytery meetings*)
- The New Church Development Commission shared highlights of their work and extending thanks to the outpouring support from the May meeting’s offering to their emergency fund
- Rafael Viana put together a video with highlights from the General Assembly
- We received 6 new members into the presbytery: Tyler Brock, Kevin Day, Michael Moore, Isaac Toney, Sun Ki Jeong and Shayne Wheeler
